MISSING DYNAMITE IS FOUND IN THE NORTH.

Conspirators Used Fifty Pounds of the Explosive and Hid Remainder. Important Discovery Made in Vacant House in South San Francisco. Substitution of Weaker Gelatin Near Where Disguised Launch Was Seen Gives Sleuths New Clues—Evidently Used Only Part of Purchase to Wreck and Burn "The Times" Building.

(BY DIRECT WIRE TO THE TIMES.)

SAN FRANCISCO, Oct. 16.—[Exclusive Dispatch.] A discovery of ten boxes of dynamite in the vacant house at No. 1422 South Nineteenth avenue, South San Francisco, tonight, may be received with a feeling of relief by industrial Los Angeles. Apparently it is the same dynamite purchased by Bryson, Morris and the unnamed third conspirator against "The Times" building, with the exception of the contents of one box. But the missing fifty pounds of dynamite, which was used to blow up the building, is still missing.

SELF-DEFENSE, CRIES KETCHEL'S SLAYER.

Hurtz Confesses When Captured After Wandering, Hunted, in Ozark Country. Says Pugilist Refused to Hold Up Hands When Ordered—Admits He's Deserter.

(ASSOCIATED PRESS NIGHT REPORT.)

SPRINGFIELD (Mo.) Oct. 16.—Walter Hurtz, who shot and killed Stanley Ketchel, world's middleweight champion, yesterday morning, was captured today at the home of Thomas Haggard, one mile from Niagara, Mo.

Hurtz was taken to the Webster county jail at Marshallfield, where he is being closely guarded.

After being placed in his cell, Hurtz made a confession, in which he declared he shot Ketchel in self-defense. He said he ordered the prize fighter to throw up his hands and when the order was not obeyed, he fired.

Late last night, overcome with hunger and fatigue from fleeing through the Ozark mountain country, Hurtz reached the home of Haggard, where he applied for a place to sleep and something to eat. He was given food and a bed. At that time Haggard had not heard of the shooting, but he learned of it a short time later. He also received a description of the slayer.

For several hours while Hurtz was sleeping, Haggard stood guard with a shotgun. Shortly after 1 o'clock this morning Haggard secured the services of three neighbors and they awakened Hurtz at the point of a gun. They forced the man to roll up his sleeves and, finding tattoo marks there, accused him of having killed Ketchel. He broke down and admitted the shooting. Later he was turned over to the officers and taken to Marshallfield.

Hurtz, in telling the story of the shooting, asserted that Ketchel made insulting remarks to Goldie Smith, a cook employed at the farm. He said words passed between Ketchel and himself and he then demanded that the pugilist throw up his hands. When the champion refused to do this, he declared he was so frightened, knowing Ketchel carried a revolver, that he fired and without fully realizing what he had done, died.

Goldie Smith, the woman in the case, has been taken to the Webster county jail and will be held pending an inquest to be held tomorrow.

Funeral services over the body of the fighter were held at the Elks' club here today. Tomorrow the body will be taken to St. Louis, Mo., where it will be buried.

Local officers assert that Ketchel's slayer tonight admitted that his real name was Walter Dimpley, that his home was at Webb City, Mo., and that he was a deserter from the army.

To avoid detection he roamed over the country working as a barber, until he met Goldie Smith at Bluff, Mo., a month ago. The two then came here and secured work on the Dickerson ranch.

NOTED MEN WILL SPEAK AT SENATOR DOLLIVER'S FUNERAL.

(ASSOCIATED PRESS NIGHT REPORT.)

PORT DODGE (Iowa) Oct. 16.—Funeral services for Senator Jonathan P. Dolliver will be held on Thursday, at 2 o'clock, it was announced today.

Sensor Dolliver's death took every one much by surprise that some of the funeral arrangements were only tentative. According to present plans, the obsequies will be in charge of Rev. W. H. Spence, pastor of the First Methodist Episcopal Church at Port Dodge. Bishop Luther B. Wilson of Pennsylvania; Dr. Francis Gonsalus of Chicago; Dr. Newell Dwight Hillis of New York, and Gov. B. F. Carroll of Iowa, had been invited to make funeral orations for the senior Senator of Iowa.

If the weather is good on Thursday the services will be held on the lawn at the Dolliver home. If this is not feasible, the orations will be delivered in the First Methodist Church. Burial will be in Oakland Cemetery, Port Dodge, by the side of the Senator's parents.

Sensor Cummings arrived today to assist the family in carrying out the arrangements for the funeral.

Everybody in Port Dodge is in mourning today for the loss of one of Iowa's most noted citizens. Last evening a little more than an hour before death came, Senator Dolliver chatted cheerfully with Mayor R. J. Bennett, a lifelong friend. Even later, Mr. Dolliver spoke hopefully of his recovery to District Judge R. M. Wright, who called to ask after his health.

During the afternoon Senator Dolliver took a walk in his garden, which had been one of his pleasures. He seemed normal in appearance, and talked to several callers in the shade of a large tree where he had formerly released many of the speeches that had made him famous as an orator.

To those who called, the Senator talked pleasantly and optimistically. He even spoke incidentally of some plans for the future.

Hundreds of telegrams of sympathy poured in on Mrs. Dolliver today from all parts of the country. Nearly every member of both houses of Congress sent condolences. Messages also came from most of the Governors and from the President and Cabinet officers.

PRESIDENT'S MESSAGE.
[WASHINGTON, Oct. 16.—President Taft today sent the following telegram to Mrs. Dolliver:]

"Mrs. Taft and I extend to you our heartfelt sympathy in your great sorrow. The Senate has lost one of its ablest and most distinguished members. The country has lost a faithful public servant."

SENATORS TO PAY TRIBUTE.
[WASHINGTON, Oct. 16.—Vice President Sherman has designated the following members to act as a committee from the United States Senate to attend the funeral of the late Senator J. P. Dolliver, of Iowa, at Port Dodge, on Thursday, October 20, at 2 p.m.: Senators Cummings, Bailey, Ekins, Payson, Nelson, Burrows, Keen, Clapp, Beveridge, Shively, Burnett and Money.

PROTEST AGAINST PROFANITY.

Thirty Thousand Men March Through Pittsburgh Streets in Great Religious Demonstration.

PITTSBURGH, Oct. 16.—[Exclusive Dispatch.] A benediction with the blessed sacrament administered in the open air to 34,000 persons, congregated today about St. Paul's Cathedral, by Rt. Rev. Bishop Conner marked the close of the greatest religious demonstration ever held in Western Pennsylvania. Fully 30,000 men of all ages marched side by side in a living protest against the use of profane language under auspices of the Holy Name Society.

A unique feature of the procession was the absence of bands of music. The men marched to the singing of anthems by choirs at the head of the various companies. The procession was formed in the business section of the city, and moved through the residence section to the exclusive Shadyside district, and then to the cathedral, where Bishop Conner and the clergy of the diocese were in the reviewing stand. The parade was two hours in passing a given point.

To ascertain the contents of other boxes which seemed to have been intact, another box was opened, and the 50 lb. canister was found to be dynamite. The police had already been working on a clue about a green delivery wagon, but whether this is the one that carried the dynamite is not known. In order to insure the absolute identification of the powder, Earl Rogers, who had been working on the case, packed the dynamite in the boxes at Glant, and they will be on hand when the police make their further investigation in the morning.

The discovery only further proves that the dynamite found at the 22nd and Broadway house, which was destroyed by the explosion, was the same dynamite that was used to blow up the Times Building.

The substitution of Hercules powder, an inferior stuff that can be bought at any retail store, for the dynamite, which, in the opinion of the police, was the same dynamite that was used to blow up the Times Building, is a mystery. The police are now trying to find out who substituted the powder, and whether it was done by the same person who substituted the powder for the dynamite in the boxes at Glant.

(BY DIRECT WIRE TO THE TIMES.)
PORTLAND (Or.) Oct. 16.—(Exclu
sive Dispatch.) Special Census Agent
Urban Hester, who has been checking
the count in Portland, declares he
has discovered evidence of extensive
padding of the census rolls here in cer
tain districts, but that the frauds are
not sufficiently general to justify a re
count of the whole city.

"I can say that there have been some
irregularities discovered in the Port
land canvass," said Mr. Hester, last
night. "I know nothing of a general
padding, as indicated in the Washington
dispatch. My preliminary investiga
tions have only shown that a general
recount would be necessary, but
later I discovered that instances of
padding were few and far between.
I am willing to say that Portland
now has 15,000 more inhabitants than
my enumerators found and turned in
on the census rolls April 15. I would
welcome a recount on the entire city.
If there is a city on the Coast that should
be suspected it is the one which has
thus far escaped. San Francisco. I
have just returned from there, and
there are thousands of empty houses.
San Francisco is said to have paid out
\$60,000 in collecting names for the enu
merators.

FIERY MYSTERY.
(Continued from First Page.)

It was extinguished with a few buck
ets of water.
Mr. and Mrs. Honigman came to
America from Germany several years
ago. Honigman enlarged pictures and
did other kinds of work of that nature
which he and his wife sold. They
bought their home on the installment
plan and it was estimated to be worth
about \$6000, but there were three mort
gages on it. The furnishings were sup
posedly worth about \$5000. The insur
ance totaled about \$3000.
Another investigation will be made
today by the detectives, as that
yesterday is not believed to be complete
or satisfactory.
"I don't remember of any explosion,"
said Honigman last night. Mr. and
Mrs. Honigman are staying at the home
of Mrs. Nellie R. Higgins, No. 415
North New Hampshire street. "Per
haps it was because I was too excited,"
he continued, "but I didn't hear any
noise."

"When I woke up I saw it was
bright outside, and in my bedroom
there wasn't as much smoke as a cigar
ette would make. I was in bed and
I ran out without my clothes and I
put them on.
"I think the entire fire lasted about
twenty minutes. There were no men
around the house that I know of. I
went to bed a little after 8 o'clock and
the next I knew was when I woke up
and saw the fire. I believe the fire
started on the outside, but I don't
know how it started and haven't the
slightest idea.
"The place where the broken boiler
was found was about fifteen feet from
where it stood when in the house. I
saw it had been rolled out flat, but I
don't know how it happened.
"We didn't have any oil in the house
except some used in enlarging pictures
and what was left from painting the
house."
Honigman said that he came from
German Poland about six years ago.
In the old country he conducted a
pawnpshop, and after coming to Amer
ica worked for a time as a cigar sales
man and then started in the picture
enlarging business.
When the children and niece came to
America a year and a half ago they
traveled under the care of the Wells,
Fargo Express Company.

PHYSICAL EXERCISES PLANNED FOR GIRL STUDENTS.

Courses have been arranged for young ladies of the High School for the purpose of physical exercises planned for girl students.

Office of The Times, 215 E. Broadway Ave.

PASADENA, Oct. 11.—A course of physical exercises has been arranged for the girls of the High School and the eighth and ninth grades of the grade schools. Miss McCully is the physical director and will have charge of the exercises as well as the playground which are on the Franklin school campus. She was connected with the New York City schools several years. A basketball school has been reserved exclusively for the girls. Each girl will undergo a very careful physical examination and will be graduated according to her needs.

Medical examination with physical feature of the Pasadena schools. It is believed that the climate is conducive to much outdoor work necessary to the girls.

JURY TRIAL DEMANDED. The case of Herman Hopper and wife, charged with selling beer in Pasadena in violation of the city charter, have been set for trial. Hopper was arrested on November 2 and 3. Erickson will be tried November 4. They have both demanded jury trials.

The City Attorney and Chief of Police, who have charge of the prosecution, state that they have several surprises in store when the case comes to trial. It has been intimated they will try to prove that both Hopper and Erickson are nothing more than retail beer peddlers and are not bona fide brewery representatives. Attorney Erickson, who is representing the defendants, alleges that his clients are being persecuted with a view to "intimidating" them, and that they are acting simply as agents for beer and are delivering beer to their customers. The city on its part in accordance with the city charter.

HIS WORK IN JAPAN. The Y.M.C.A. yesterday afternoon addressed by William M. Yonson, who has spent seven years as a teacher and Y.M.C.A. worker at Hachiman, Omi, Japan. He is a graduate of the University of California. He went to Japan to teach English to the natives and for several years was paid by the government of that country until his teachings of Christianity were objected to by the Buddhist priests. Since that time he has been interested in the Y.M.C.A. work and has made wonderful success. His mission in this country at this time, is to raise money for the building of new Y.M.C.A. buildings in the province of Omi, Japan.

Where he studied at Hachiman, seven years ago, said Mr. Yonson yesterday. "I did not know a word of Japanese when I went to Japan. I had never seen an American, consequently I did not know a word of English. I was lost and alone. I suppose I would have been killed if I had not had the best of it. I gained the confidence of the natives by having them come to my house and look at my large collection of picture post cards. Then I taught them to play dominoes and checkers. In this way, I became friends with them and gradually I began to teach the Bible to them. We are building great studies in the interior of Japan. Just before I left my work was interrupted by the Lieutenant Governor of the province of Omi and by the Mayor of the city of Hachiman, who, for many years, has the editor of a paper at that place. I have already succeeded in raising \$1000 to carry on my work there and, as soon as I get the other \$1000, I will return."

MORE FIRE HYDRANTS. The City Attorney is working on a proposition whereby the city may compel private water companies who use the streets for fire hydrants to be attached.

The cases in point are those of the water mains owned by Hotel Raymond on South Fair Street and the case of the Los Flares Water Company in North Pasadena. The Council Fire Commission has charged that the operations of the city are without adequate fire protection.

THE TRACT IN TEARS. The residents of the "dry tract" are again in trouble. When the North Pasadena Land and Water Company cut off their supply of water for domestic purposes the people had to fall back on the meager supply afforded by the California Water Works Company and the city sprinkling cars.

Now some miscreant has tricked them again and has stopped the water pipes and stopped all supply, excepting the friendly sprinkling wagon. The Sprinkling car is being kept out a little but the small supply can be put by putting water bottles, tubs, buckets and every other form of vessel under the ever flowing hose.

PASADENA BREVITIES.

Property owners on North Raymond Avenue between Chestnut Street and Orange Grove Avenue have at last agreed to have their water pipes laid with oil macadam instead of Warrentite.

The division and special committees of the North Pasadena Improvement Association will hold a meeting tonight for the purpose of formulating reports to be submitted to the membership in the morning.

The Pasadena Good Cheer Committee which went to San Diego Saturday afternoon to extend the good wishes to John H. Holmes, manager of the new U. S. Grant Hotel, and the good people of Pasadena, has returned and will be in the city tonight.

The Pasadena Good Cheer Committee which went to San Diego Saturday afternoon to extend the good wishes to John H. Holmes, manager of the new U. S. Grant Hotel, and the good people of Pasadena, has returned and will be in the city tonight.

Col. and Mrs. L. P. Hansen returned yesterday after a six-month trip around the world. Col. Hansen is heavily interested in mines in Nevada and Arizona and was one of the promoters of the Tonkin mine at Kingman.

FOR THE MEDICAL PROFESSION

Place—St. Winifred's Hospital, San Francisco.

Case—Chronic Paraneuritic Nephritis involving broken compensation, complete anasarca and uremic convulsions.

Patient—Frank H. Winter, United States Deputy Marshal of Honolulu.

Prognosis—According to the text books, hopeless. The best Honolulu physicians had failed and the condition of the patient at the end of a two years' fight for life was so extreme that it was predicted he would not live to get to this city.

The physician who was called in was Dr. L. C. Mendel, who put the patient on Fullon's Renal Compound and aided it with active measures to sustain the heart and promote the elimination of the toxic material that skilled physicians understand.

To the intense surprise of the Honolulu physicians the patient was returned the fifth month in good health.

Later letter reports contained health.

The fact that a slight addition to the orthodox treatment with which it is wise to treat such cases, has been found that the text books declare hopeless ought to interest every physician in this country.

We serve notice on the whole world that chronic Bright's Disease and Nephritis are now curable in a great majority of cases.

And we have the proof. To the physician of higher duty than saving human lives?
